ABOUT United Kingdom

The United Kingdom (UK), with its **capital in London**, is a globally renowned destination for education, culture, and history.

Popular cities include:

London, a vibrant metropolis known for its iconic landmarks like Big Ben and Buckingham Palace.

Manchester, famed for its music scene and sports;

Sheffield, known for its green spaces and industrial history.

Cardiff, the capital of Wales with its medieval castles.

Birmingham, a diverse city with a rich industrial heritage.

Edinburgh, Scotland's capital with its stunning architecture & festivals.

Newcastle, known for its nightlife and the Tyne Bridge.

Glasgow, celebrated for its vibrant culture and architecture.

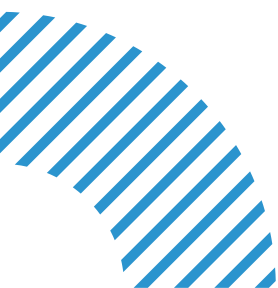

Belfast, the capital of Northern Ireland with a strong maritime history.

Oxford, It is known as the "City of Dreaming Spires" due to its stunning architecture and is a centre for arts, science, and technology.

The currency used is the **Pound Sterling (£), GBP**, which ensures a stable and strong economic environment for students and travellers alike.

Reasons Why You Should **Study in UK?**

World-Class education and academic facilities.

Institutions consistently ranked amongst the best in the world.

Numerous options of specialisations to study.

Admission possible without IELTS.

Affordable and value for money as course duration are short.

Scholarships and Bursaries available.

Master's courses with placements or internships.

DURATION & Intakes

The biggest advantage of UK education in comparison to other educational destinations worldwide is that, UK provides programs of shorter duration.

■ Duration

- **Bachelor's:** 3 years (4 years in Scotland)
- **Master's:** 1 year (2 years with placement/internship also available)
- **Integrated Masters:** 4 years (5 years in Scotland)

■ Intakes

UK Universities have mainly two intakes:

- **September – Fall Intake – All courses are open**
- **January – Spring Intake – Not all courses are open**
- However, many universities offer courses commencing in **May/June**, making it a minor intake

English Language **Requirements**

■ **Types of English tests accepted**

- Tests like IELTS, PTE, TOEFL and many more are accepted in UK.
- Applicants must achieve decent level of English by completing a successful 'Secure English Language Test' or SELT.

■ **Note:**

- **An IELTS waiver** is available as per the student's profile.
- **Pre-Sessional English Language program** is also offered for students who do not meet the IELTS requirements of a particular course at a University.

Entry Requirements

■ Entry Requirements for Bachelor's

- To be eligible, It requires first-class in 12th standard.
- For Engineering degrees, a score of 60% – 85% is required in Mathematics & Physics in 12th Standard depending on the university.
- For Business degrees a score of 55% – 85% is required in Mathematics depending on the University and other relevant subjects in 12th standard with few exceptions where the Mathematics score in 10th Standard is considered.

IELTS Requirements:

- IELTS requirement ranges from 6.0 / 6.5 with no band less than 5.5 depending upon the course and the University.

■ Entry Requirements for Master's

- To be eligible, you should have completed a bachelor's degree in a related field with a minimum score of 50%.

IELTS Requirements:

- IELTS requirement ranges from 6.0 / 6.5 with no band less than 5.5 depending upon the course and the University.
- Some UK Universities also accept MOI –Medium of Instruction from graduating University to waive off the IELTS.

Types of Scholarships

- **University-specific Scholarships**

UK universities offer various scholarships for international students, such as the Clarendon Fund at Oxford and the President's Scholarships at Imperial College London.

- **Subject-specific Scholarships**

These scholarships target specific fields, funded by universities or industry partners to promote excellence—for example: STEM, arts, and medical scholarships.

- **Merit-based Scholarships**

Merit scholarships reward academic excellence from previous education covering some part of tuition and sometimes living expenses.

- **Need-based Scholarships**

These need-based scholarships cover tuition, living expenses, and other study-related costs in the UK, typically based on financial need.

- **Country-specific Scholarships**

These scholarships promote global ties, targeting students from specific countries. Funded by the UK government or partner organizations, examples include GREAT Scholarships and bilateral agreement scholarships.

- **Athletic Scholarships:**

These scholarships support talented athletes, covering tuition, living expenses, and training costs, and are often awarded by universities with robust sports programs.

We at Flag Circle assist students in securing scholarships by providing expert guidance on eligibility criteria, scholarship applications and essay writing. We provide personalized support to ensure students apply for all eligible scholarships.
